2022 NSW Rotary Emergency Services Community Awards

I offer my warmest congratulations to all the nominees for the 2022 NSW Rotary Emergency Services Community Awards.

During the recent tragic floods and storms, I had the privilege of seeing up-close the amazing job our emergency services do in the face of disaster, and the hard work, dedication and spirit of service on display in our flood-hit regions is reflected across all of our exceptional emergency services in NSW.

These floods are just the latest emergency faced by the people of our state, adding to drought, fires, a pandemic, and even shark attacks, all in the space of just a few years.

Through all of this, emergency services professionals and volunteers have worked tirelessly to keep people safe, not only amid major crises, but in the everyday work you perform in communities across our State.

The Rotary Emergency Services Community Awards provide a unique and welcome opportunity to recognise all of our emergency services personnel, both paid and volunteer, together at the same time, and this year that recognition is more important than ever.

I wish the nominees and winners all the very best. But more importantly, on behalf of the people of NSW, I say thank you to every member of the NSW Emergency Services for everything you do.
